

Ridley Terminals Inc. Health, Safety, Environment and Quality Policy

Ridley Terminals Inc., as a service provider, provides continuous, high quality and high performance rail car unloading, product storage and vessel loading services to valued clients.

Ridley Terminals Inc. is committed to:

- **Preventing incidents, injuries, illness and environmental pollution.**
- **Complying with applicable legal and other requirements related to the product, environment and Occupational Health and Safety.**
- **Providing services consistent with our contracted commitments.**

RTI pursues continual enhancement through the use of process improvement, technological advancement, due diligence awareness, evaluation and accountability, employee engagement and recognition, as well as aspect/hazard identification and management.
